Shepherd Hill Music Parents Association Scholarship Application Guidelines

The Music Parents Association will award up to four \$500 scholarships to deserving music program-graduating seniors.

The Scholarship Committee has established the following criteria by which the applicants will be considered. A rating system will be used and all information will be kept confidential.

1. The applicant must be a Shepherd Hill senior in good standing, who will be graduating this academic year.
2. The applicant must have completed a minimum of two years in any music department activity.
3. The applicant will be evaluated on academic performance as well as participation in music department activities and other out of school activities.
4. The applicant must:
 - Complete the Music Parents Scholarship Application
 - Request completion of the Music Parents Association Music Director recommendation form by their Music Instructor. (This form will be separate from the application to the Guidance Office.)
 - Include a one page typed, 12 pt Times New Roman, double-spaced essay on “How the Music Department at Shepherd Hill has influenced my life.”
 - Bring all required documents to the Shepherd Hill Guidance Office by the application deadline.
 - The Guidance Department will attach transcripts and student information form and all information will be forwarded to one person on the SHMPA Scholarship Committee (usually the Chair, but may be another member).
Any information not asked for in the process will be disregarded.
5. Upon receipt of the application and supporting documents, the Scholarship Committee will review each of those submitted. Names will be omitted and a number system will be used to determine the recipients. These decisions will be final.
6. The Scholarship recipients will be announced at graduation, but awarded only after the successful completion of the first semester of college.
